**EDITORS, *WLA FOLIOS***

**F**or thirty years, *War, Literature & the Arts: An International Journal for the Humanities* has featured art across all genres as it pertains to humanity's engagement with the many different aspects of conflict and its aftermath.

This year's theme for *WLA Folios* is Home. Through fiction, poetry, essay, and texture, we are honored to share twelve talented voices with you here.

We hope you enjoy the issue and investigate *WLA*'s entire catalogue at [wlajournal.com](http://wlajournal.com).
